

Markus Laine

Student and Talent in the making, interested in User Friendly Tech, Design and Services.

Education

Information Networks

Aalto University, 2020-

My studies combine technology, business and digital service development skills as well as group working and problem solving skills. I'm minoring in Computer Science and particularly interested in Web Development and Web based Services.

Automation and Systems Technology

Aalto University, 2018-2019

High School Graduate

Tapiolan lukio, Music Class, 2018

Work Experience

Activity Park Employee

Mathildedalin Keskuspuisto, Jun 2020 - Sep 2021

During the last two summers I've had a chance to work at an Adventure Golf & Padel park where I was responsible of customer service, social media content creation as well as placing orders and running the every-day tasks of a small business.

Substitute Teacher

City of Espoo, Occasional job, Sep 2020-

I have been doing some substitute teaching along with my studies. I enjoy working with teenagers and teaching others in general.

Office Helper

Tieto- ja viestintäteknologian ammattilaiset Ry, Jun 2018 - Jul 2018

Assistant Summer Camp Director

City of Espoo, Jun 2017

I was working at a children's day camp at Weegee house and also planned some of the camp's activities.
